

Squamish Library Project

37907 - 2nd Avenue, Squamish, British Columbia, CANADA

Squamish Library

THE PROJECT

A 12,000 square foot library to accommodate current and future library demands for the District of Squamish. The project included the purchase of furnishings and fixtures as well as the development of the base building. Previous design approaches were in the range of \$3 Million.

THE TASK

Mitchell Kime Thompson Inc.'s assignment was to deliver an aesthetically pleasing and cost effective library including all furnishings and fixtures for less than \$2 Million. The developer was to maximize use of local suppliers and contractors.

Squamish Library

THE RESULT

The library project was completed on time and met a budget of \$1.8 Million. A design-build contracting approach was undertaken, with the District of Squamish and Library Committee approving all design and performance specifications. The library has been an unqualified success since opening.

Design-Build: Mitchell Kime Thompson Inc.
Architect: Architecturra
Contractor: Norson Construction Ltd.
